**CONTROLS Action Style** In FIFA 22, the action style system adjusts the flow and intensity of gameplay. You will be able to control the action with a combination of easy to control, medium controlled, and difficult AI controlled levels. The game engine will also apply suitable tactics and game strategies based on the selected level of difficulty. The action style system allows you to complete a variety of challenges that were otherwise impossible in the past, by adapting to your play style, as you shape the game. **New Shots** In FIFA 22, you will have even more shooting opportunities with new types of shots such as the Through Ball, the Headers, and Power Shots. In addition, existing shots have been reworked, to be more difficult to score and the effect of certain properties has been changed to have more realistic outcomes. **New Finishing** In FIFA 22, you will find a greater variety of finishes and more realistic reactions. **THERE WILL BE A GENDER AND AGE FLIP** There will be a change in the way new user attributes are assigned, and this means that there will be an age and gender flip. **UPLOAD YOUR MATCH, MATCHMATCH** To share your match creations with other users, you can now upload your game directly from the Matchday Assistant, which will become your match diary. The Matchday Assistant will act as your game card. You will now be able to share your Matchday Diary and upload your game with other users, directly from the matchday assistant. **KNOW YOUR COUNTRY** In FIFA 22, you can now find out your favourite teams, as well as national teams. **FOUR STARS IN THE MIDDLE** In FIFA 22, when you play on a 4-4-2 formation with free roaming DMs, these DMs will now have the ability to push up and drop deep. This will open up a whole new variety of tactical possibilities. **CAMERA BLITZ** In the recent FIFA titles, there was only one camera blitz that we had to choose between. In FIFA 22, you will have the ability to choose which camera blitz you want to use depending on your preferred play style. **BETTER FATAL MATERIAL** In FIFA 22, the material quality of Fatal has been increased. **PLAYER ENGINE**

## **Fifa 22 Features Key:**

- FIFA 22 expands the career mode with a new, immersive experience that will place you in the most immersive soccer environment ever on an Xbox One.
- The ball controls have been completely revamped. Players now have an incredible feeling when dribbling and passing the ball.
- New balance and movement AI - New Balance SK8E and ASICS can help you keep the pace and dynamism of the game every time you step on the pitch.
- Touch control set-up in FIFA has been updated to take in account changes in touch size depending on the distance of the player from the ball, increasing the number of ways you can control the game.
- 4K Game Dated - FCB boss Josep María Bartomeu and FIFA creator David Rutter have been tasked with creating the best-looking FIFA game ever - and that's not easy in a sport as highly sophisticated as football, which requires cooperation between hundreds of people from across the globe. FIFA 2K has a new look to bring the game to life.
- FIFA 2K's brand new engine makes incredible strides in the areas of player performance, ball physics, damage and animation.
