## Ishq Forever Movies Full Hd 1080p \_\_HOT\_\_

unlike in 'bacchan', this is not a clear-cut attempt at comedy, but a melange of shyam benegal references, vintage songs and goofball spoofery. the film paves over tired romantic themes in favour of a bit of gender-swap madness (boy with short hair who falls in love with a girl with long hair), but because nothing is clear about the film, it's impossible to enjoy the film and know what it's trying to be. no one, even the touts for the movie, had foreseen that a comedy flick with dilwale dulhania le jayenge (ddlj)'s famous soundtrack would manage to turn out to be such a huge hit. "main kaun hoon" has already emerged as a huge hit and it hasn't even come out yet. what makes it so striking is that it doesn't get lost in the clutter of all the hit songs we are flooded with in the film industry and that too with such impact. with the absence of all the good old hits and a bunch of fresh yet energetic tracks, the song "toh main nazar" in particular stands out like a major. the music video is engaging as well as the song is catchy as ever. and that doesn't go away even with a couple of new duets and remixes being added. the video is an amalgamation of different dance parties throughout the world. the performance by an indian trio, joemonstersex , while strolling through mexico, is a major highlight. the video has been directed by abhishek acharya who is also behind the tune "chutki ki baat". the song was shot in spain and the video is a compilation of different cultures. the effects used in the song are quite impressive. a solemn guitar is the base for the song and once the vocals come in with the backdrop of lights and the instruments, the song manages to convey an immense amount of emotions in a short duration of time.

**Ishq Forever Movies Full Hd 1080p**

---

as it is, ishq  
forever manages  
to be all of the  
above. the  
bhalwal  
protagonist  
shekhar (krishna)  
is a poor college  
student with  
dreams of  
moving to  
bombay and  
making it big in  
the film industry.

---

when he is offered the chance to co-produce *ishq forever*, he jumps at the opportunity, only to be met with a massive problem: he's the star. what would he look like in a film with a leading lady on the cusp of her first shoot?

---

somehow, ishq  
forever has to  
get shekhar out  
of there before  
the leading lady  
(karthika shetty)  
realises that  
she's dated her  
director, and  
figures out that  
he's only here  
because he's the  
man he loves.  
this is not a good  
look on a man's

---

part. shekhar is a cardboard character, and there's no point in trying to see how he keeps improving. the title song of ishq forever is the most inexcusable example of a song that isn't badly written, but fails to compel on its own. what's

---

more, nadeem-shravan's words still haven't been updated for the 21st century. take the last line of the chorus, 'baap ki dil mein kiya hoon meri jaan hoon.. baap ki dil mein' - it's actually written 'main tera baap rehta hun, meri jaan hoon'. but

---

the song tries to subvert the meaning by replacing it with 'baap ki dil mein kiya hoon meri jaan hoon' (at least it has that much modesty). we have no idea whether to believe the 'yaar ho gaye hai' part (if that's even true) or not; on

---

the whole, this is  
typical bollywood  
pish-posh, and  
the only person  
you're probably  
going to enjoy is  
the director,  
sameer sippy.  
what ishq forever  
needs is at least  
a clear idea of  
what it is.  
'bacchan' is bad,  
but at least it  
tells you up front

---

that it's a spoof  
on a road-trip  
movie and isn't  
really a naseer-  
esque film about  
love refused.
