However, when I try to login to the app store with my previous serial number from Orcad 6, the app store asks for the new serial number from Orcad 10. This is a bit problematic. A: I'm sure we'll be able to solve the problem, but I was able to obtain my old license key by entering it on the Orcad 10.5 app, it will appear on a popup with no way to renew or change it, once I enter the serial number from the Orcad 10.5 app it ask for the serial number from the licence manager and when I enter it the license is renewed. It does not appear on Orcad 10.6 and 10.8 app. 1. Technical Field The present invention relates to a liquid crystal display and, more particularly, to a liquid crystal display that has an improved electrode structure. 2. Related Art In recent years, thin film type flat panel display devices, which are much thinner than the display panels of cathode ray tubes, have been used in various application fields. Especially, liquid crystal displays (LCDs) have been used in various application fields because of the advantages of high resolution, light weight, slimness, and low power consumption. An LCD includes a pair of panels
