Samsung e2252 simlock miracle box {unlock phone for free} Samsung E2252 phone lock miracle box {unlock phone for free} Hope you find the post useful. Just read an online article here Warning for Samsung E2252 with Miracle Box / miracle box for samsung e2252 / miracle box for samsung e2252 // miracle box for samsung e2252 / miracle box for samsung e2252 // Miracle Box is a Cw64 Program which has a Miracle Box and a Sispeech Wizzy. The Miracle Box will make all your changes in your phone and the Sispeech Wizzy can translate all texts in the phone for free. The Miracle box can remove the simlock also, but I will be the owner of the phone but I have not lost the simlock and or my phone, so I use the miracle box not to lose anything. To access the Miracle Box first open the miracle box and then click on the SIM card and then SIM card and press the power key to put the phone into "edl" mode and now the miracle box will be able to access the information off your cell phone. It's a very simple phone lock unlock with a miracle box that comes with a sispeech wizzy. All your texts will be translated for free. You can also remove the simlock. This amazing application from amar has a miracle box and a sispeech wizzy. When you first start to use it you will be able to access the file of your phone that will tell you if your phone is locked and if it is locked what is the simlock set up. You will be able to crack off and make any changes on your phone and remove the simlock. Sorry amar has not released this amazing software and the miracle box cracks so it is still beta software, but it's fully working and working very well. It will crack off off any text on your phone for free. You don't need to use any software or any tools to activate your sim lock on this amazing software with a miracle box and a sispeech wizzy. All you have to do is to download the miracle box software to your computer, put the magic box on your phone, put your phone in the edl mode, open the magic box and put the sim card in the
