Ganda Kannada is a 2018 Indian Kannada romantic comedy film directed by Yathiraj. The film features Raghu and Sangeetha in lead roles, while Aruldass and Sudharani play supporting roles. It is the fourth installment of the Ganda. Ganda Kannada Full Movie Title: It's time to come out of our shells and realize our feelings. For the first time in history, the marriage of a male character will be made by DNA test. The film takes place at the old age of a couple. It is the time for love, but the growth of the protagonists is not. When a society disapproves of their love story, they decide to take a DNA test to prove their love for each other and prove the point. Ganda Kannada Full Movie Hindi Dubbed Online Download With the growth of our society, the recognition of love has changed. Love has no judgment, and the names and qualities of people also do not matter. If a man and a woman love each other and are still not accepted by society, they may go through an ordeal. While doing this, they also might be met with their challenges. However, we have the freedom to love anyone and make them our own. The film takes this into consideration. Coming back to the story of the film, Ganda Kannada is based on a true incident. The movie revolves around a couple, who fall in love and after their parents find out about their relationship, they decide to get them married through DNA testing. The film has been shot in a spacious location in Bangalore. It is the third film in the Ganda franchise, after Ganda which was also directed by Yathiraj. The story of the film is based on reality. It has also been shot in Sri Lanka, where there are places called the "Gandas". Ganda is the first movie in the franchise, which also got good reviews. It did not receive as much focus as the other movies, as the title of the movie is also an alias of the characters in the movie. Watch Full Movie Ganda Kannada Online At Bollywoodhungama There was a time when a woman would be judged if she dated a man from a different caste, religion or ethnicity. However, now, no one looks at the caste, religion or ethnicity of the person whom they are dating. Love has no such judgment. This is the reason behind the plot of the film. Ganda Kannada Full Movie Story: The film starts with a thought of the protagonist, where he is making a phone call to his girlfriend. He asks the operator for the number of her parents and
