They were to work with local warlords to locate Taliban strongholds and destroy them via the use of targeted airstrikes. Thats not a bad plan, and in theory it should work brilliantly. The squad soon discovers that theory doesnt always match up with the real world and they have to adjust their thinking if they are going to succeed. Thats a setup for a pretty good movie, and if you cast Chris Hemsworth, Michael Shannon and Michael Pea in key roles, it should work brilliantly. But Fuglsigs movie doesnt quite come together and the result is a disappointment.
