Hi, my name is MarkAnd my skin is EDC skin 2016. I have been using SCUMM for years and I have developed a new skin for the Primo. It is just under half the size of default Primo with one icon. This skin includes several features such as adjustable background colors for a better view from mobile phones, a movable logo for the top bar and the possibility of selecting icons for the dialer and contacts. I could not have done this without Mike, my programmer, who has been working day and night for more than 6 months on this. I wish to thank him for

his work. It's also a little gift I hope to get from Mike to say thanks. I have created a PC version as well. I will upload it to my page as well. Well that's it for now. Thanks for watching. If you like this video, please thumbs up and comment. Thank you and enjoy your day. Tip: Download 04aeff104c
