
Download Relief Clip Art Library Artcam

Feb 08, 2017 - To install the Relief Library: Shut down Autodesk ArtCAM 2018. Download the Relief Library installer from [here](#). Open the "C:\Program Files\Autodesk\ArtCAM 2018\Bin\PolylineLib" folder. Click the Library tab. Select the relief library from the PolylineLib.zip file from the list. (The library requires a license to operate). Click Yes to install the Relief Library. Click No to remove the Relief Library. Once the Relief Library has been installed, the Relief Library will require a license file to function, which you can obtain from the Support section of the ArtCAM application by following these steps.
