1. THE GAME GENRE IS WONDERFUL! ☺ I feel like the fantasy genre is losing its identity in this industry, and I want to tell you the reason. Recently the fantasy genre has gained more than 10x popularity due to titles such as FFX, Dragon Quest, and the like. However, most of those titles are 4 to 6 hours long and 12 to 15 hours long, respectively, and are seen as a commercial product. Whether a game is long or short has a huge impact on the sales of a game. However, almost all the titles within the genre just do 10 to 20 minutes of gameplay, and the work of a loner or the act of simply killing monsters is repeated. Especially in popular titles, there are the highly expanded story elements that tell the story of a hero's adventure, but the ultimate result is a linear and dull journey. If you see the fantasy genre as a franchise, it is a genre that only has a few core features. Therefore, when other genres are popular, that genre cannot meet the expectations of the consumers. However, the

fantasy genre has long been popular as a genre. The reason for the genre to be popular is that it retains a long history (sword and sorcery). You were able to immerse yourself in the unique setting that the genre has, and the refreshing feeling of imaginary knowledge and the actions are very enjoyable. As such, the fantasy genre should be allowed to exist. I would like to thank you for listening to my opinion. ☺ You might not know, but I am also a writer of fantasy, and the games, which can be enjoyed and drawn inspiration from, is the RPG genre. Even after I announced the announcement for a fantasy RPG titled TARNISHED to the public, I was able to be accepted into DATE-ISO because it is a genre that I enjoy. In other words, in the world of games, there is much to explore. There are many genres, and as long as you have the will to discover them, you will be able to experience new joys. 2. THE CHARACTERS AND THE MODELING ARE ALMOST BEAUTIFUL!!! ☺ The style is easy to understand, but is also full of lovely characteristics. In the first chapter of the trailer, you saw the protagonist, Reynir, the young and energetic hero. In his town, the music of the hero, a mysterious and beautiful bff6bb2d33
