East Is East – Part Two East Is East is the spiritual successor to East Is East which was never made. You can read an overview on that game here. Here’s a short description of East Is East – Part Two... East Is East -Part Two is a spiritual successor to East Is East which was never finished. With the help of Kickstarter we started developing a game with this setting: In the year 2349 Humanity's first spaceship set out in search of a new home world in the galaxy. With over 5,000 years of travel behind them the crew is about to cross the galactic border. After a long stay in the new world the spaceship is forced to return to the mother ship because of a problem in the hyperdrive. Meanwhile an ancient alien race, allied with an ancient human city has long remained dormant. They want to get as much knowledge as possible about the Earth and the spaceship because of their goal to go back to Earth as much as possible. Don't know if you noticed it, but we have a mental problem with knowing that the game is not finished. But that's the name of the game. The developer of the new game needs time to finish the project.I seem to be having some problems sending some emails. Some days it takes up to two hours to send an email even though I have the minimum number of recipients. I would like to be able to get your opinion as to what is causing this problem. Hi Delmar, Here's what I have found: 1. There are others with the same issue. One other user contacted me by email and asked how to do it better. His contact is taken from his profile. I do not know how it appeared as his contact. But he said it was working for him - I've sent him an email to that effect, and he has verified by email that his problem is corrected. 2. I do not believe it is the email server. We have changed the settings to prevent automatic sending, and our email server has several email accounts. 3. To
